

Dear Friend of Watch Us Farm,

We have started the countdown to our 2025 Dinner at Dusk Gala, it's a Denim & Diamonds Hoe-Down and we're reaching out to give you a chance to be part of the fun.

Join us on Saturday, September 27th for the Grand Pre-Opening of our new 25-acre Job Training and Agritourism Center in Zionsville! You won't just be attending an event, you'll be part of a new transformative chapter for adults with intellectual disabilities in our community.

We Need Your Support

This new campus represents hope, opportunity, and inclusion. Your sponsorship directly funds:

- Completion of our State-of-the-art Hub vocational training building and event center that will provide more job opportunities for our employees with special needs in our community. The IU Health Foundation had given us a Community Impact Investment Fund grant to start construction.
- Construction and equipment for eight innovative state-of-the-art greenhouses that, in partnership with Purdue University, will provide our community with even more locally grown produce.
- Athletic fields, an orchard, and a pumpkin patch with inclusive community opportunities for events on a beautiful farm setting.
- Housing specialized for adults with intellectual disabilities, creating independence and community.

A Night to Remember, A Legacy that Will Last

Your investment goes beyond one magical evening of farm-to-table dining, cowboy fun, and dancing under the stars, it will create lasting change in the lives of individuals and families who have long awaited meaningful opportunities for work, housing, and community integration.

Whether through a financial contribution, in-kind donations, or other support, your generosity will be prominently recognized during our gala and throughout our grand opening year.

We simply cannot bring this vision to life without champions like you. By becoming a sponsor, you'll help ensure that adults with intellectual disabilities have pathways to meaningful employment, housing, and community engagement for generations to come.

Please review the enclosed list of sponsorship opportunities and reach out with any questions. We would be honored to customize a partnership that aligns with your values and vision.

Together, we can transform lives and create a more inclusive community, one that works for everyone.

With heartfelt gratitude,

A handwritten signature in blue ink, appearing to read "Janice M Agarwal".
